IIU terminates investigation into allegation of assault by RCMP officer

The Independent Investigation Unit (IIU) has terminated its investigation into an allegation of assault by an off-duty RCMP officer in the west district.

The IIU opened an investigation into a complaint received August 30, 2020 concerning an alleged assault on a minor by an off-duty officer, after the civilian director determined it was in the public interest to investigate.

However, after a thorough review of the information provided and gathered, the civilian director determined there is no evidence supporting the allegation that would compel the IIU to proceed further with this investigation.

Accordingly, the IIU investigation has been terminated and the file is now closed.
